Dedication: Mr. Larry Curry

Mr. Larry Curry is a relatively new teacher at Thomas Jefferson, having joined the faculty only three years ago, but already he is well known and well liked. Mr. Curry combines student involvement with community participation to make his courses, sociology and psychology, relevant to today. Besides his teaching responsibility, Mr. Curry is also cheerleader sponsor. He spends many hours of his time planning and directing assemblies as well as working with the cheerleaders to increase the school spirit.

In appreciation for his dedication to Thomas Jefferson, the DOCUMENT staff dedicates the 1977 yearbook to Mr. Curry.

Year In

FALL - The exhilaration of football season starts and the school elects a Homecoming Queen for the annual Homecoming Dance.

WINTER - Winter was topped with snow this year. This added variety to the dullness of every day school life.

SPRING - With Spring comes the excitement of warm weather, the fun of 50's day, and the graduation of the Seniors of '77.

SUMMER - School is finally out! We are free once more. The graduated seniors are now preparing themselves for college. But before we know it, it is again time for another year of school.

Staff Serves Beauty Tea

The Thomas Jefferson Document Beauties were honored Oct. 31 by a beauty tea given by members of the Document Staff at El Centro Savings on Northwest Highway. Twelve girls were chosen by their school as being the most beautiful girls in the school.

The three judges who chose the four finalists were prominent local theater figures. The first judge was Don Shook, producer-actor-singer, who is presently producer and director of the Crystal Palace Dinner Theatre. R. G. Webb, also an actor-singer-director, who has performed over 100 roles in theater productions, was the second judge. The last judge was Mike Pollock, head of the music and theatre department at S.M.U., as well as being founder, producer, and director of Casa Manana Musicals.

During the tea the judges spoke individually with each of the nominees. The four finalists were chosen on the basis of their poise, personality, charm, and beauty.

1976 HOMECOMING — A SPARKLING SUCCESS

The setting for the 1976 Homecoming Dance was the Regency Ballroom of the Fairmont. The theme for this year's Homecoming was appropriately named "Listen to the Music." Everyone danced four short hours to the swinging music of Central Expressway. The night was highlighted by the crowning of the 1976 Homecoming Queen - Miss Jana DeHaven. It was one of the best Homecomings ever!!!

Everybody danced to the lively music of Central Expressway.

"Listen to the Music"

STRANGE BEDFELLOWS

The setting for the 1977 All-Class Play was the Fall of 1896. It was centered around Women's Suffrage and the stand that one woman, Clarisa Blynn Cromwell, takes that changes the lives of many. It is a play that deeply expresses woman's need to become a person in society.

The play was under the direction of the new drama teacher, Tom Brewer, and student director, Kandie

Carpenter. Besides the fine direction and the good acting several other factors contributed to the success of the play. Costumes and lighting equipment from Mrs. Keen of Brown Middle School, plus costume items from Old San Francisco Steak House helped set the mood. The long hours and hard work of the Stage Crew contributed significantly by providing a smooth running production.

"Fiddler" entertains, makes social comment

TJ's 1977 musical was "Fiddler on the Roof." This musical is set in a small Russian town, Anatevka, in the year 1903. This is the period leading up to the Bolshevik Revolution. The story deals with the fall of tradition, the conflicts which arise with the change to a more modern way of life. The changes are portrayed through the marriages of the main character's daughters. With each daughter's marriage, they move farther away from tradition. The fiddler on the roof symbolizes the precarious position of tradition in a rapidly changing modern world.

"Fiddler" was presented under the direction of Jack Cannon. Mr. Cannon was assisted by Tom Brewer who directed the acting and stage crew. Mr. Xeros prepared the orchestra and Nancy White did the choreography.

"I realize of course that it is no shame to be poor, but it's no great honor either." Tevye (Anton Pierce) in one of his many frank talks with God.

"Even the worst husband, God forbid, is better than no husband, God forbid." Golde (Karen McGuire) and the matchmaker (Samantha Jones) plan a match between the butcher and Tzeitel.

Tevye as he dances with the fantasy character, the Fiddler (Bret Johnston).

"It's a new dance. I have learned it in Kiev. There, we just changed an old tradition." Perchik (Steve Alderman) and Hodel (Debbie Becan) dance.

"Mazel tov"! Motel (Ray Adams) and Tzeitel (Laurie McCrary) are married.

"All right after the Sabbath I'll talk to Lazar Wolf." Tevye and Golde discuss a mate for their daughter, Tzeitel.

"Tell me your dream, and I'll tell you what it means." Tevye creates a dream with which to convince his wife not to pursue the match between Tzeitel and the butcher, Lazar Wolf.

Evandro Ramos
Youth for Understanding

Evandro B. Ramos, Youth for Understanding exchange student, has been at TJ for six months. When he returns to his home town, Manaus, Brazil, he will complete high school, and graduate in November. Evandro wishes to become a businessman like his father, and his American foster father, L. D. Nutter. Evandro said of America, "It is a big country with many different customs, but the people are friendly after you know them." Evandro enjoyed his stay in America and is looking forward to returning some day in the near future.

Jannae Tunnell was one of three Dallas area seniors to win the Daughters of the American Revolution award. Jannae was chosen by the faculty to represent TJ on the basis of service, courage, leadership, and patriotism. On the basis of several essays which she wrote

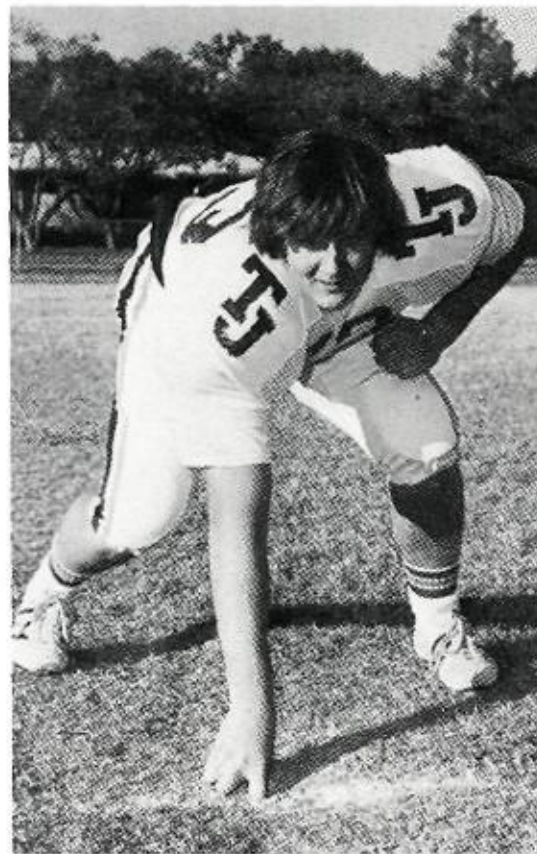

concerning the government and patriotism, she was awarded a Good Citizenship medal and certificate. She was awarded this honor at the annual George Washington Tea given by the DAR.

Tim Huffman, a senior at TJ won a renewable scholarship for football from Notre Dame college in South Bend, Indiana. Tim has been playing varsity football since his junior year, and has won many awards including "All American." Tim is the third "Blue Chipper" in his family.

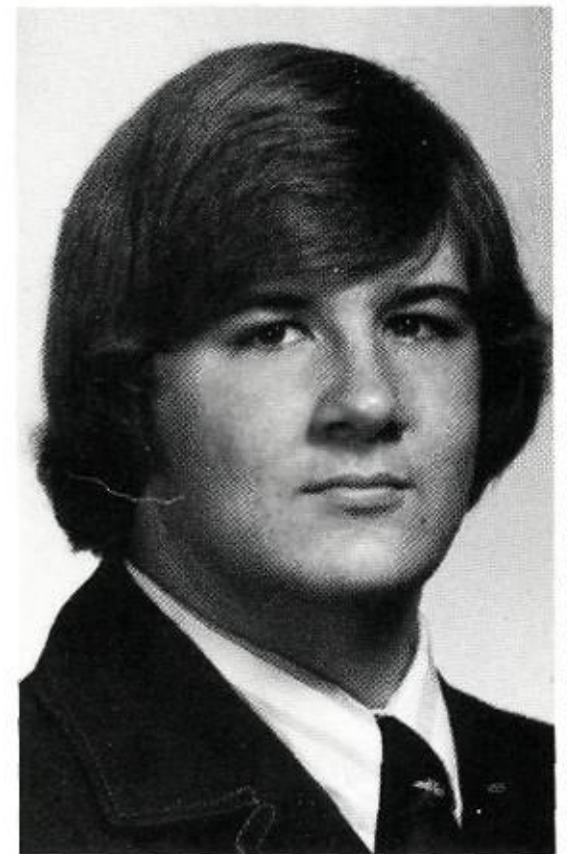

Tim Huffman won the Future Homemakers award for his district after he scored the highest on a test. He will go to state, then to National competition where a prize of \$15,000 is awarded to the most outstanding student of this field.

In Memoriam

In Memory of Tim Behan

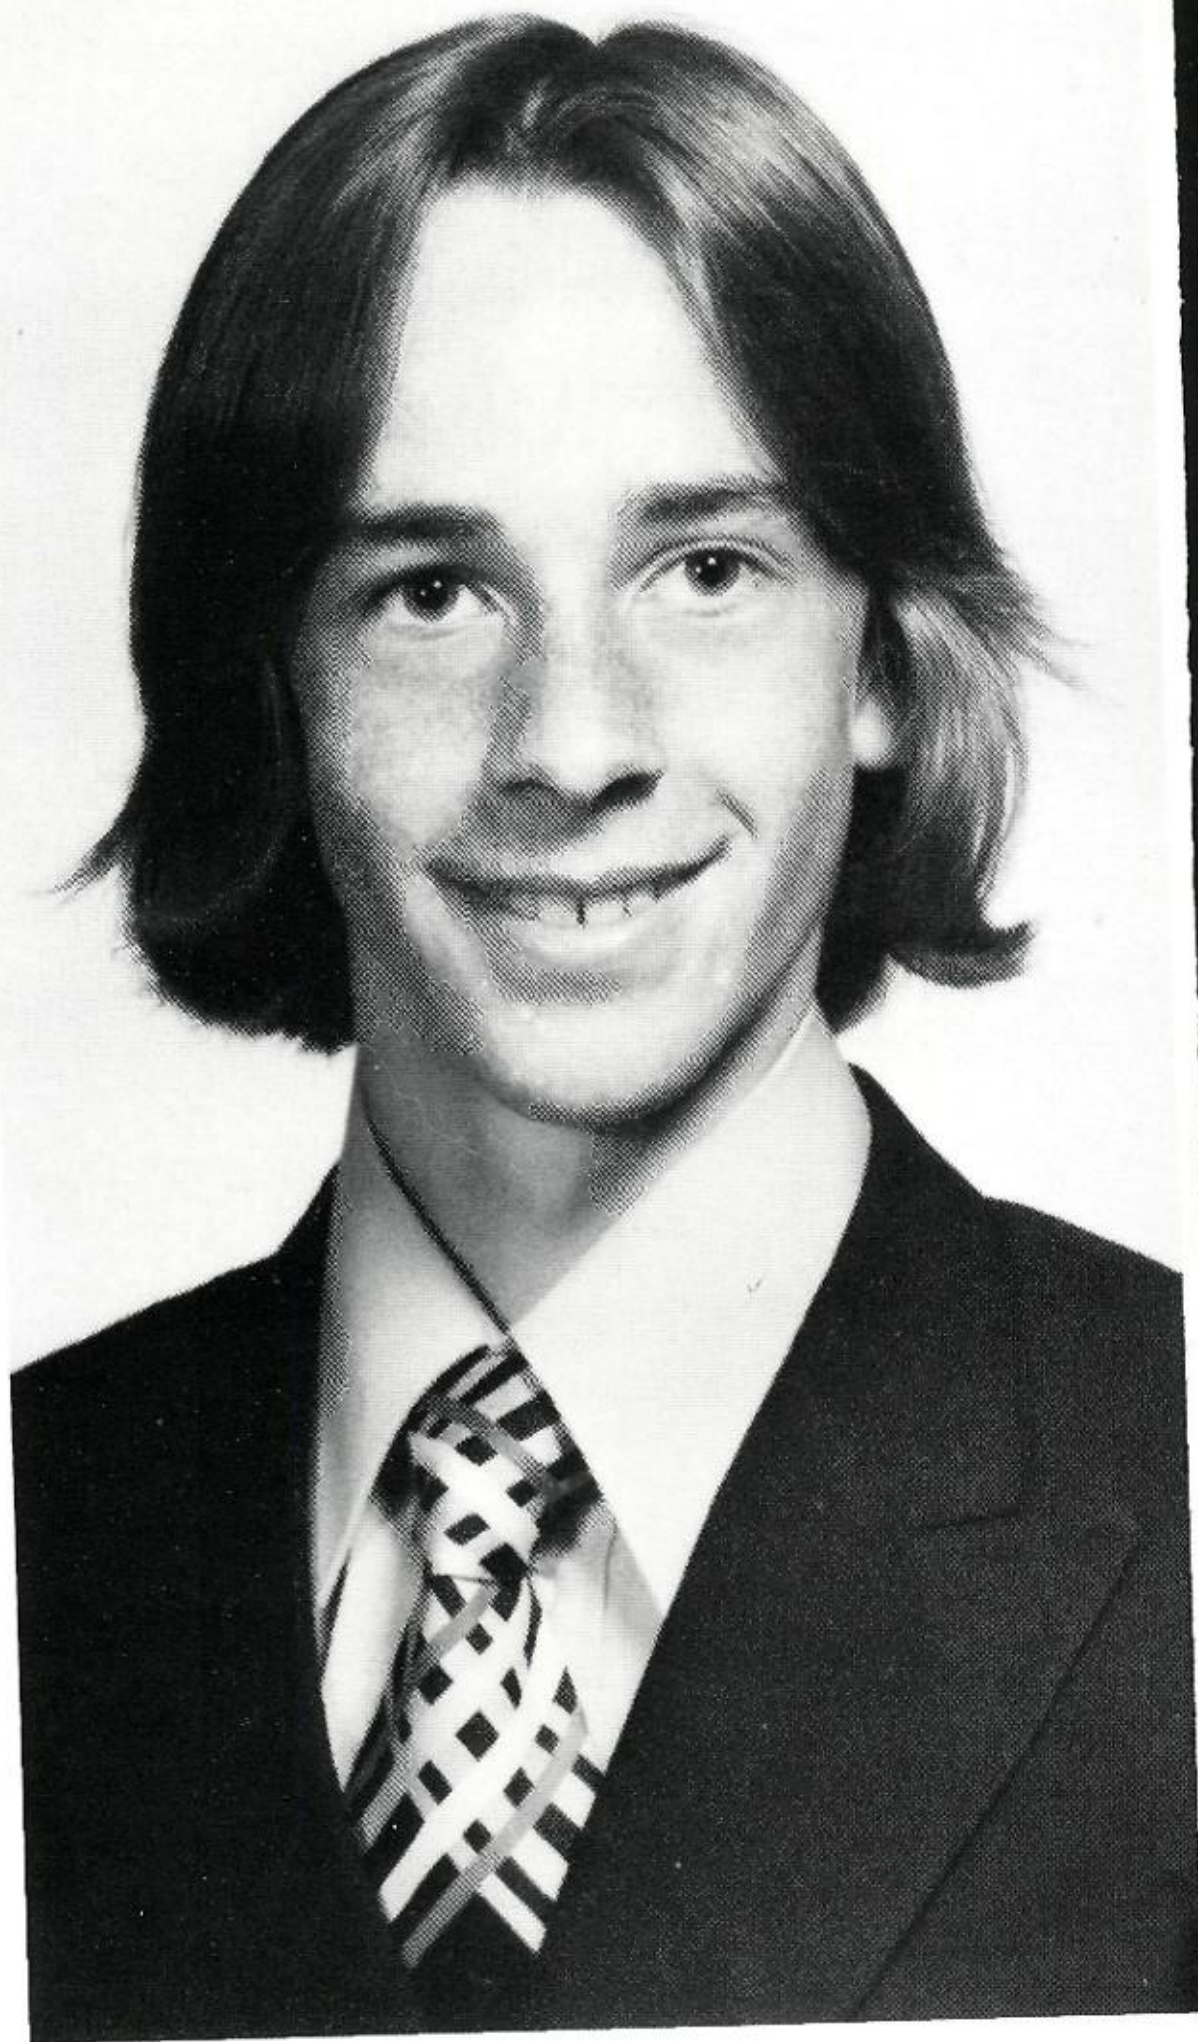

The wind blows soft.
The wind blows weak.
It sings a love song.
It kisses a cheek.
It passes by but I don't see.
I'm wrapped in feelings contained in me.
So what if my friend doesn't live anymore?
Should I give up life?
Should I shut the door?
I wish he could tell me
What it's like to die,
I can't do anything.
I can only cry.
If he were here
What would he think was right?
He would want us to go on, to live, to fight.
So blow soft wind.
Blow sweet, blow dear.
Blow wind, blow.
Dry away our tears.

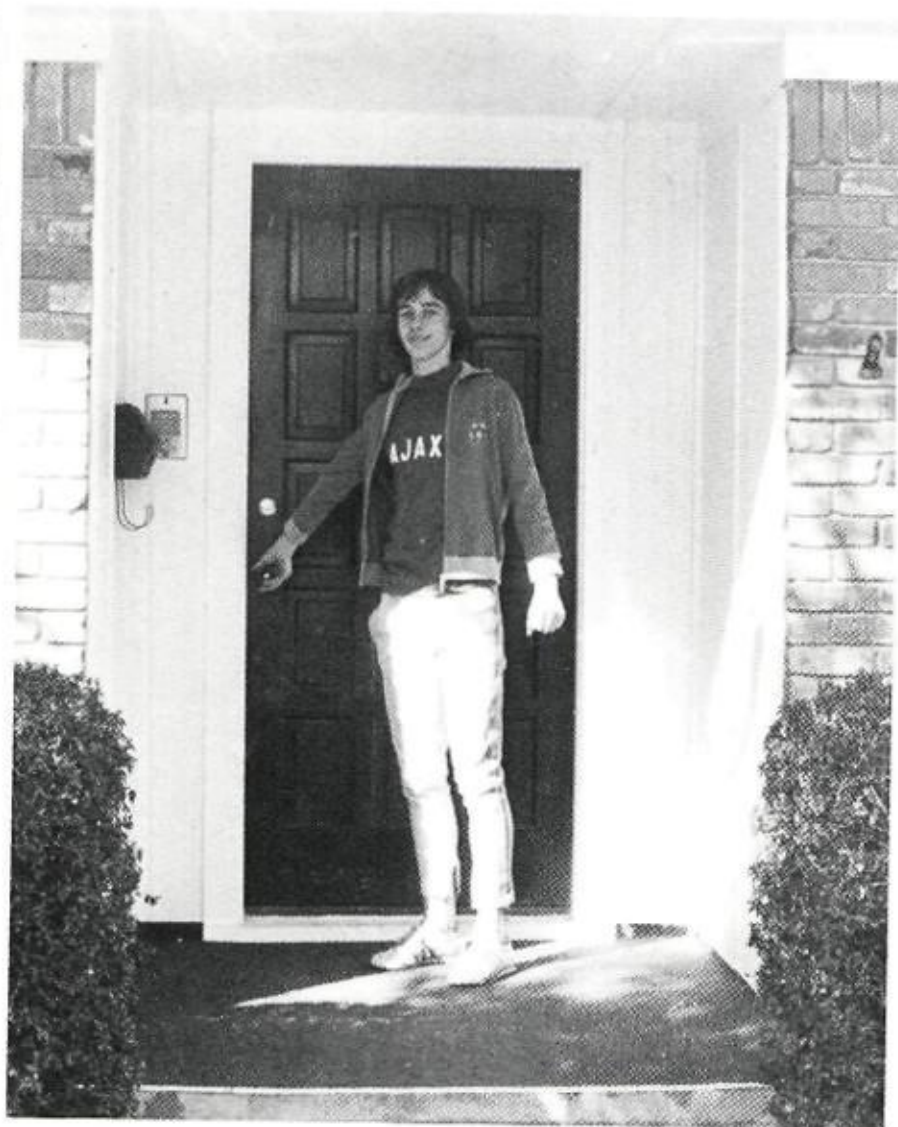

Dear Thomas Jefferson
Students!

I want to use the opportunity to thank my parents (in Germany) and my foster parents here who made it possible for me to come to the U.S.A. I really enjoyed the stay here, it was a really great experience for me.

I made many friends and enrolled in activities at TJ, and it is not so easy to leave them just like that. I will always remember the stay in Dallas.

Klaus Contributes to TJ

Klaus Graaf is here at TJ as part of the Youth for Understanding program. His home is in Hamburg, Germany. While in Dallas his foster parents are Mr. and Mrs. Pablo Arminderez. At TJ Klaus is involved in many school activities including the Stage Crew, National Honor Society, and the Student Council. In addition he plays soccer for a Chamber of Commerce team. Klaus' stay in the United States will continue into the summer.

Shyama,

Well, ya know, I never ever see you in school but I try to look for you. If we could only have some classes together but seeing as your a Soph and I'm a Bio Junion I don't think its possible. Another reason could be that we don't have the same schools, to bad for you huh, oh well lets talk about boys seeing as we have so many at our school compared to yours. I can't wait to play my little game w/ Steve Kissner (good looking) Oh well, I hope you got the locker # or your dead. (Gotta go now but will cont. after sleep.) Well Theology's over, God said to tell you Hi!!! Theology has been over for about 3 months now.

Student Council Leads Activities

The TJ Student Council is a group of representatives elected by their fellow students. The Student Council holds weekly meetings where they discuss current school issues and provide solutions for school problems. The student body is informed on the progress of the Council as they continually strive to change things for the better.

The Student Council was responsible for many of TJ's

activities during the school year.

This year the Student Council purchased a mascot and donated it to the school. A mascot committee was formed with Jay King, Chris Mahoney, and Phillip Paramore to provide care for the mascot. Other activities made possible for the school, were a Howdy Picnic, after-game dances, Homecoming Dance, 50's Day, Western Day, and intramurals.

DOCUMENT AWARD

Every year a few students are chosen to receive the DOCUMENT Award, in accordance with the tradition established with the publication of the first DOCUMENT. These staff members not only show outstanding performance in their own staff duties, but also unselfishly give their services to others on the staff. This recognition goes to a group of students who successfully carry on the tradition of presenting a book in the standard of excellence begun by the first DOCUMENT staff.

The 1976-1977 DOCUMENT staff has been working for the publication of the book since their selection as staff members last May. During the summer they sold advertising to finance the publication costs. During the school year they planned their individual sections and helped with the book's distribution in the spring.

While the DOCUMENT staff is a working and learning situation, it is also an opportunity to make new friendships.

The results of their dedication can be seen on each page of the yearbook. They have strived to etch the memories of a great year on these pages forever!

Liberty Belles Highlight Halftime

The Liberty Belles are an important contribution to the spirit and entertainment of Thomas Jefferson. Each girl must devote an immense amount of time and talent to entertain at halftime and at assemblies.

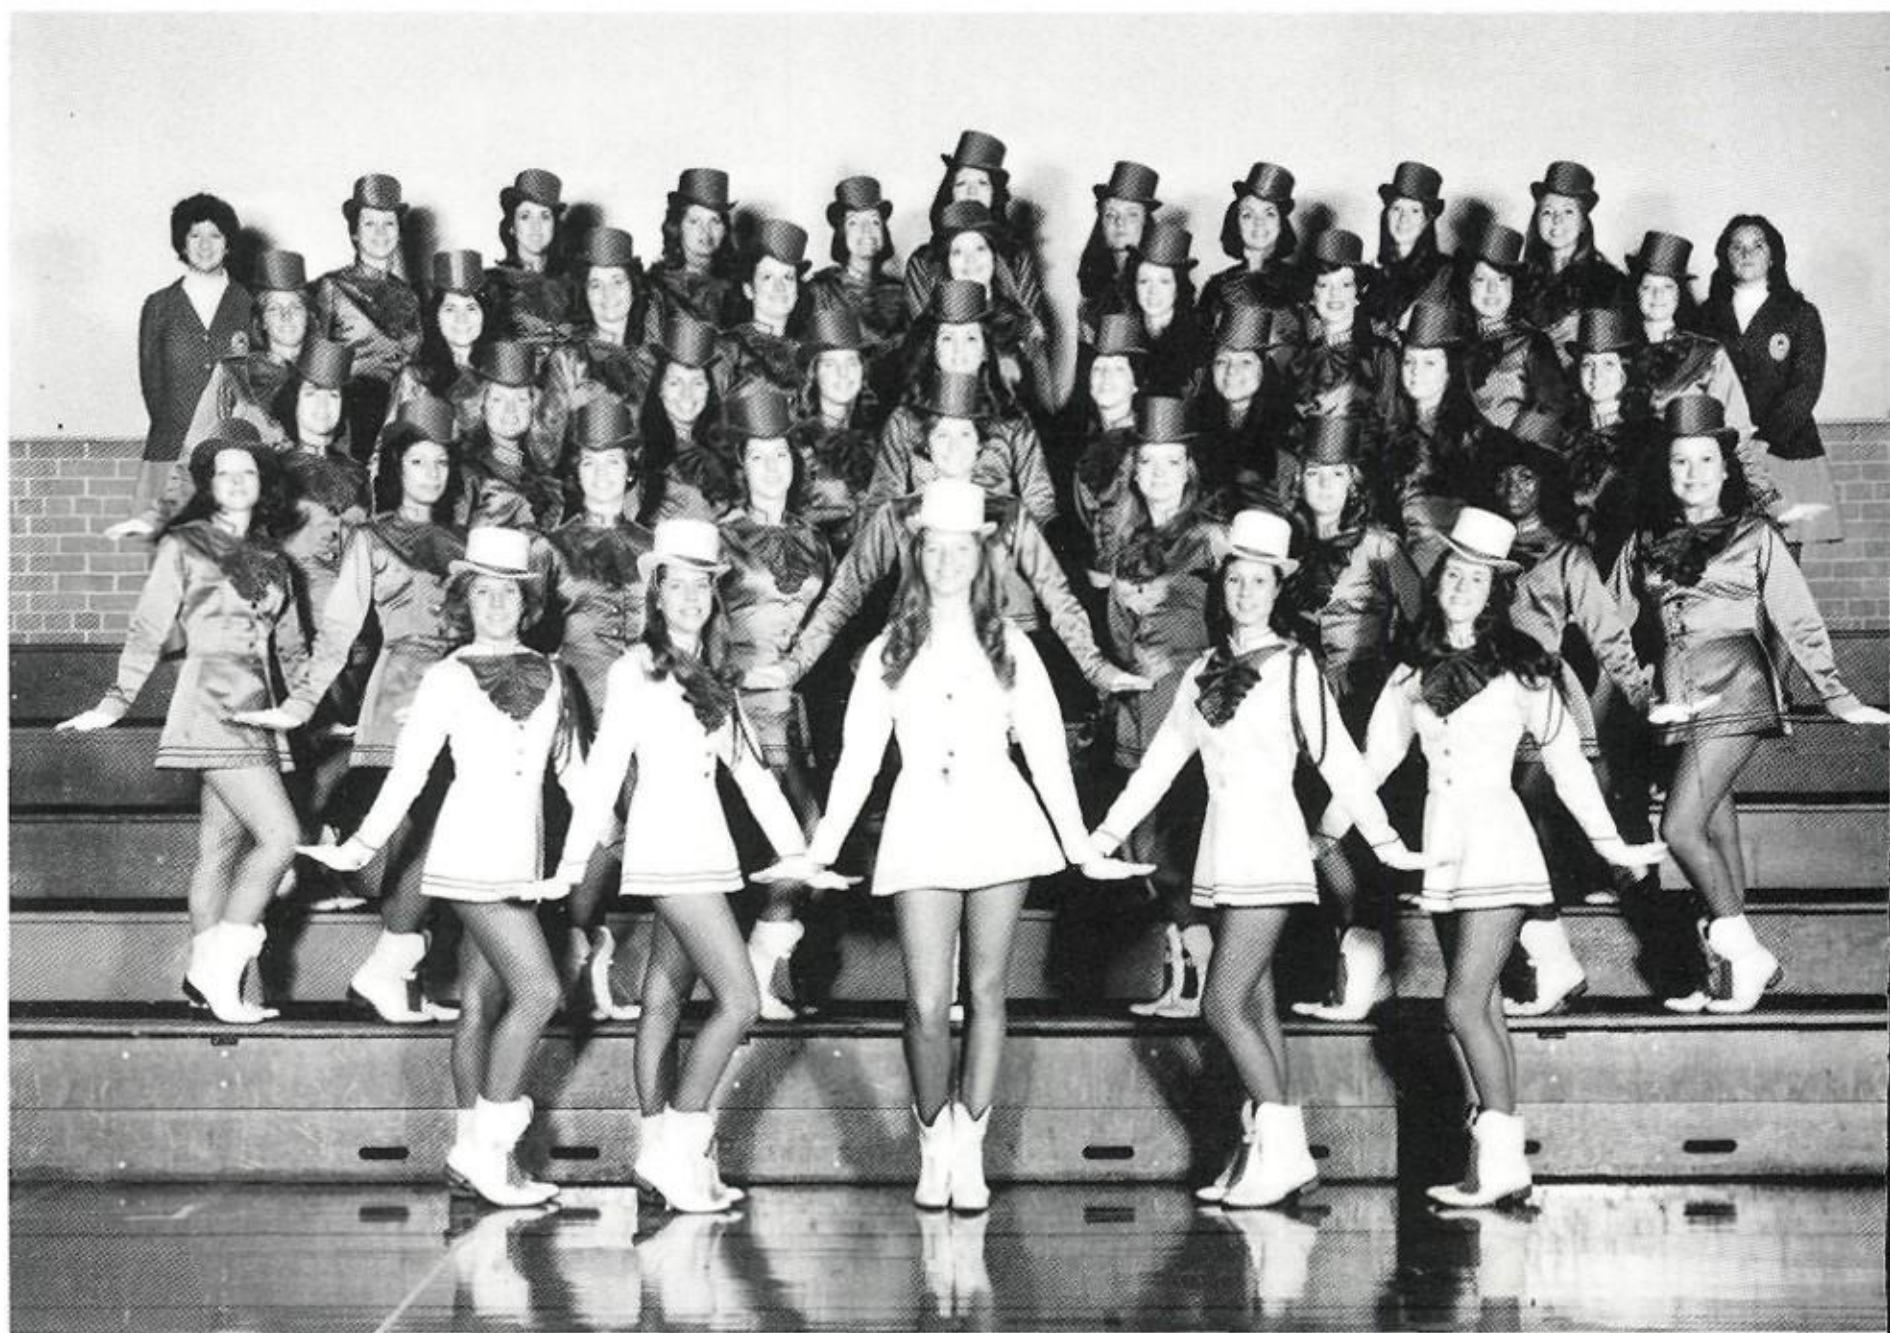

Beyond their performances at halftime and at pep assemblies they are responsible for many

other activities. These include selling football ribbons, decorating the halls, and creating a memento each week to give to the football players.

As a special honor this year, the Liberty Belles were invited to perform at the SMU - Houston football game.

Class of '77

The Seniors of 1977 formed TJ's traditional Senior Spirit Club. Seniors of the Spirit Club attended the numerous pep assemblies and sports events. The spirit of TJ was expressed as the Spirit Club cheered the players on to victory. For the first time, members of the Spirit Club were seated in the balcony during all the football assemblies. The Spirit Club T-shirts became a familiar sight at the school assemblies and football games.

The 1977 Spirit Club has carried on TJ's traditional support of the Patriots throughout the year.

Band Livens Halftime

The Thomas Jefferson band is often referred to as the "Pride of TJ." Many early mornings, time and energy were spent practicing for halftime performances. Under the direction of Mr. Geyer and the leadership of Barry Hines and Peggy Schies, this season's halftime performances were

outstanding.

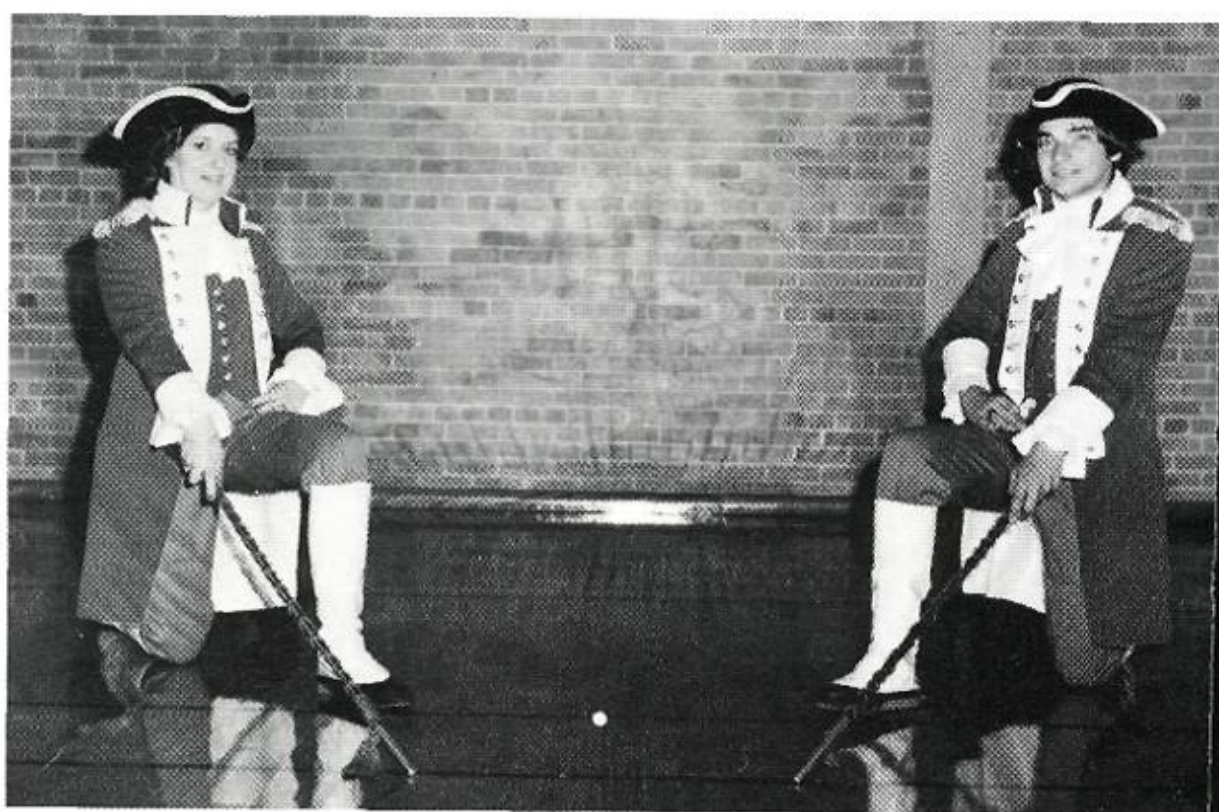

After football season, the band continued to practice for their concert season. The band was honored this year by being invited to march in a parade in San Antonio. They also competed in U.I.L. competition this spring for the first time.

Band Council Keeps Band in Performing Order

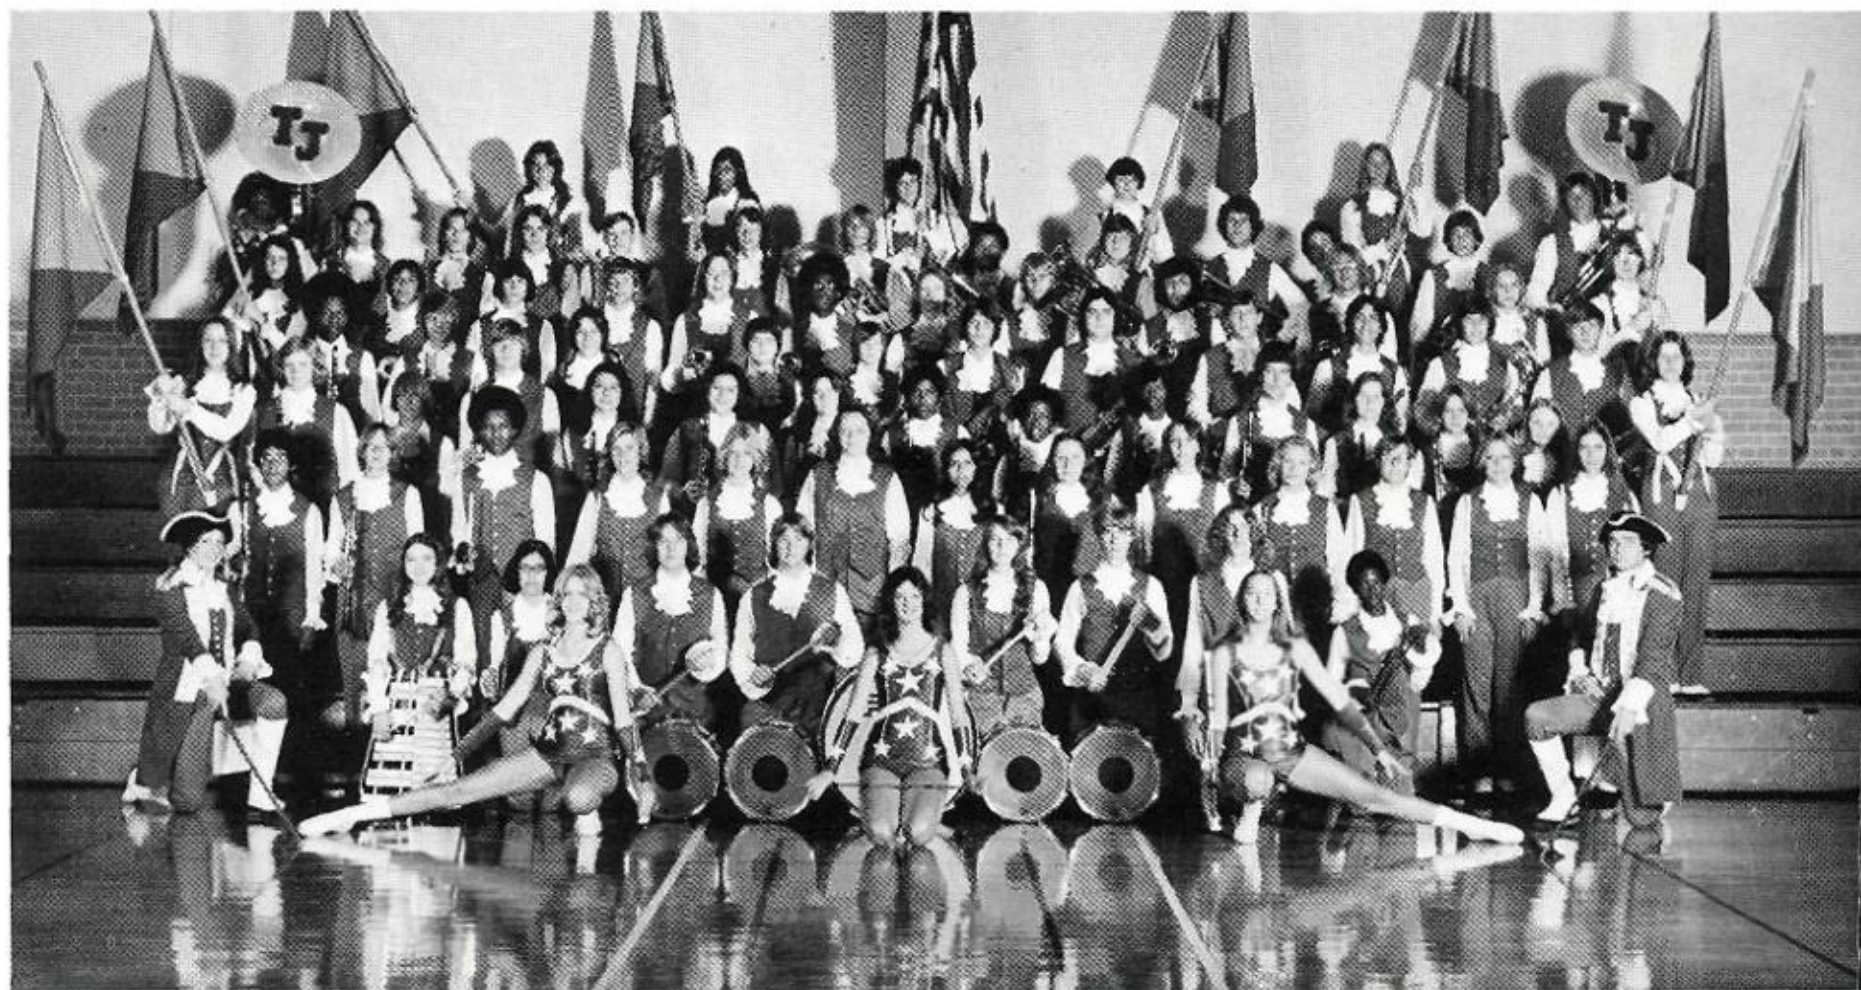

The Band Council is responsible for the organization and management of the band. The officers are elected by members of the band early in the year. They provide the student's point of view concerning various problems arising in the band. Officers of the council also plan all parties and other activities sponsored by the band. Much of the band's success is due to the commendable efforts of the Band Council's officers.

Band Members Awarded for Talents

Each year a few members from the TJ band are chosen for the All-Region, All-City, and All-State bands. The TJ band is honored when their members are selected. This year, Mike

Francis, Lynn Moore, and Jim Thomas, were selected from TJ's band. In order to be a member of these bands, students are judged and chosen on basis of exceptional talent.

TJ Orchestra Exhibits Musical Skills

The members of the TJ Orchestra are students who desire to better their understanding of music and develop their talent. They study a wide variety of music, ranging from classical to jazz, from symphonies to modern music.

Each year several students from TJ's Orchestra

compete in district and state competition. The members that are chosen for the All-Region or All-State Orchestra are judged on their innate ability and talent.

The TJ Orchestra performs several concerts during the school year. They also play for the TJ musical.

Thespians re-established troupe

The National Thespian Dramatic Honor Society for High Schools, now the International Thespian Society was founded in 1929. A local troupe was chartered in 1966, but lost its charter in 1970. This year the troupe is proud to have re-established its affiliation with Thespians, an honorary dramatic organization. Student members

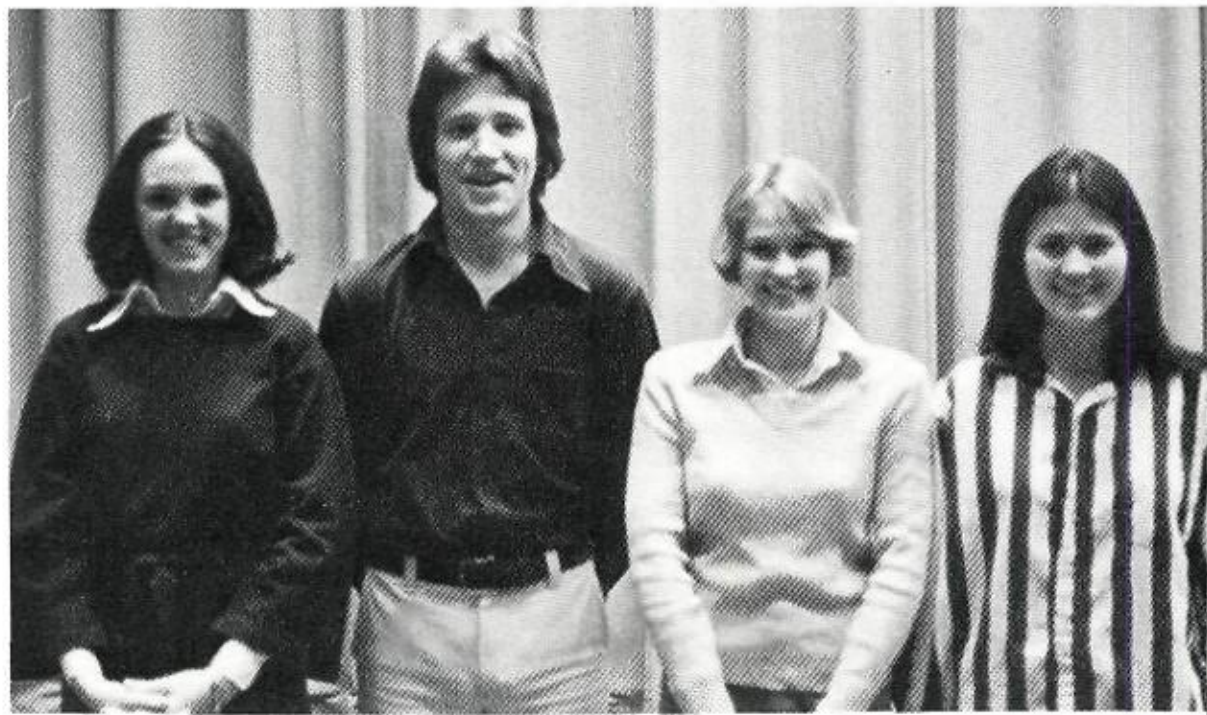

must maintain satisfactory standards of membership as set forth by the constitution of the local troupe. Each student must participate in at least two full-length productions; one full-length and two one-act plays; or four one-act plays. Participation should be in at least two different areas; acting, directing, producing, business, writing, etc.

Each student must earn ten points as set forth in the Thespian point system before he can be initiated into the Society. One point represents approximately ten hours of excellent work.

The Thomas Jefferson Thespian Troupe plans many interesting and varied projects and productions for the coming years.

The Scuba Diving Club began its first year at TJ this year. Membership in the club is limited to certified divers and students working on their certification.

The club tries to make one dive a month. Dives are usually made at various area lakes and

rivers. In the fall, Mr. Brady, the club's sponsor, took the club on a special trip to San Marcos, Texas for a dive.

Members of the Scuba Diving Club would like to see the club continued as they feel it provides valuable experience for TJ students.

Varsity Cheerleaders create spirit

The 1976-77 cheerleaders started training early this year at SMU Cheerleading Camp. During the week-long session the TJ Cheerleaders won one Outstanding and four Superior ribbons, as well as collecting one Spirit Stick. They also won the Super Star Squad for which they had to coordinate stunts, jumps, and pyramids.

The Cheerleaders have put in a great deal of time planning original assemblies and attending all the athletic events to unite school spirit behind our teams and the many long hours have paid off.

The 1976-1977 Junior Varsity cheerleaders contributed greatly to JV sports by promoting school spirit for those sports both around school and at the events.

With the addition of the ninth grade to TJ, Freshman cheerleaders were also added. These girls spent much time and energy creating school interest in, and raising school spirit for Freshman sports.

Patriots Make Good Showing

Thomas Jefferson came out even in district play this year, with a 4-4 record. The Patriot team got off to a slow start losing five of their first six games. Their losses to Woodrow Wilson, Samuell and Bryan Adams in the first half of the season were based on turnovers, a problem that was controlled later in the year. The Pats' defeat of Skyline, Lincoln, Hillcrest and Spruce gave them a winning (4-3-0) record at the time of the White game. Despite lots of enthusiasm the Pats were not able to defeat the Longhorns. The final 20-7 score does not reflect the close, ferocious battle that occurred between the two teams at their homecomings. Nevertheless, T.J. will be experienced, tough, and the team to beat next year.

Wildcats Whip TJ

The district opener for TJ proved to be a disappointing loss at the hands of Woodrow Wilson, 23-12. The Pats' six fumbles and two interceptions were the means used by the Wildcats to take the Pats with three T.D.'s and one field goal. The Patriots' first scoring drive came late in the 3rd quarter with a 6 yard run by Darren Staton. With 8 minutes left in the game, the 2nd TD came on a 25 yard run from Duncan Thompson; both P.A.T. attempts failed.

Spartans Spear Pats

Mistakes plagued the Pats again as they were defeated by the Samuell Spartans, 19 to 7. The Pat's only score came in the first period on a one yard dive by Edwin Filgo. The 7-0 lead lasted until the second quarter when Samuell tied it up. The score was 7-7 at the half and the third period was scoreless. In the 4th quarter the Spartans scored twice more, missing both P.A.T. for a final 19 to 7 score.

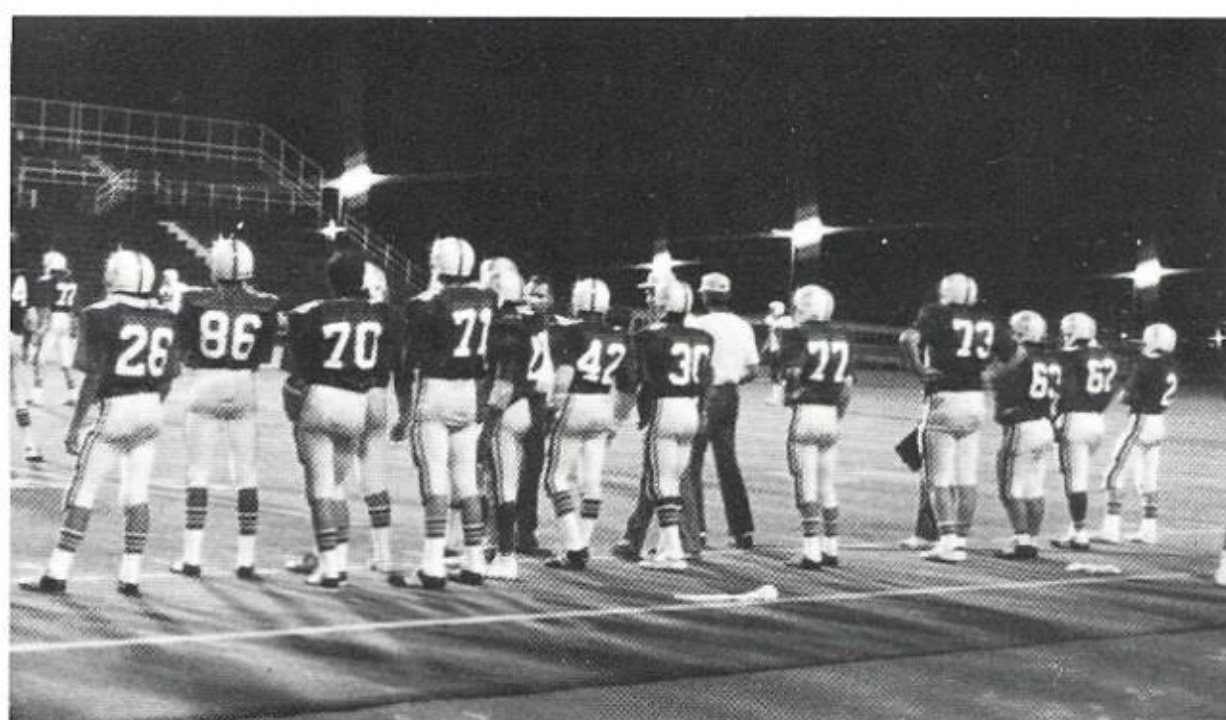

TJ Romps Raiders

Thomas Jefferson chalked one up in the win column as they defeated Skyline 21-13 at Loos Field.

The big play was a 101 yard interception by Renard Huntley. Another score by M. J. Marable put the Pats on top 14-0 at the half. The Raiders then scored twice, but the tough Pat defense held Skyline at 13 points. The Pats put one more score on the board with 3:10 left in the game to make the final score 21-13.

B.A. Sneaks by TJ

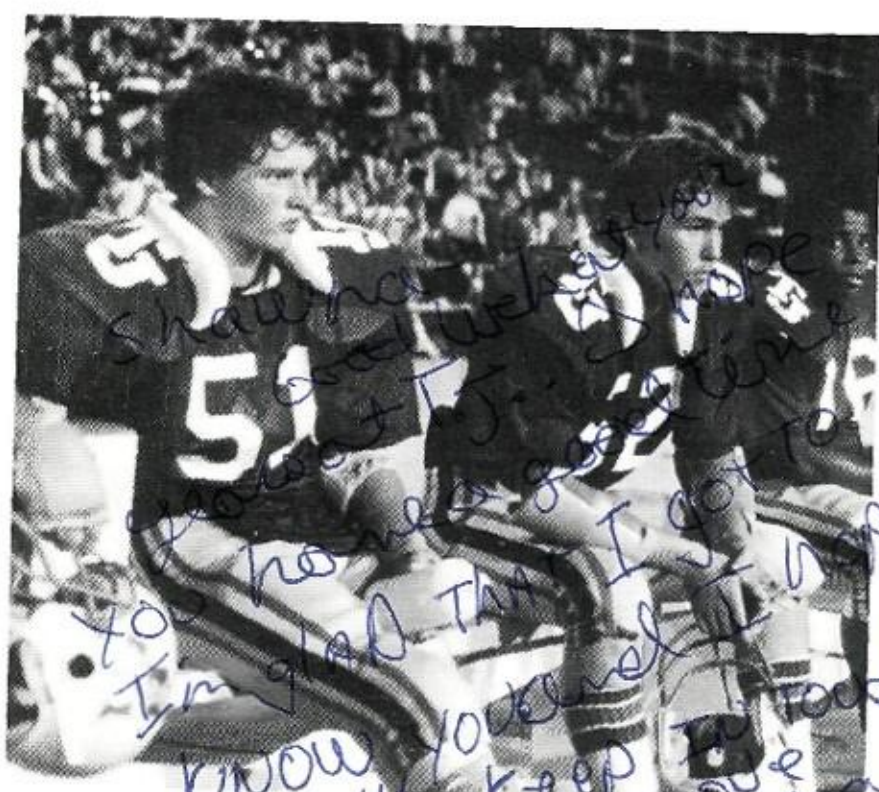

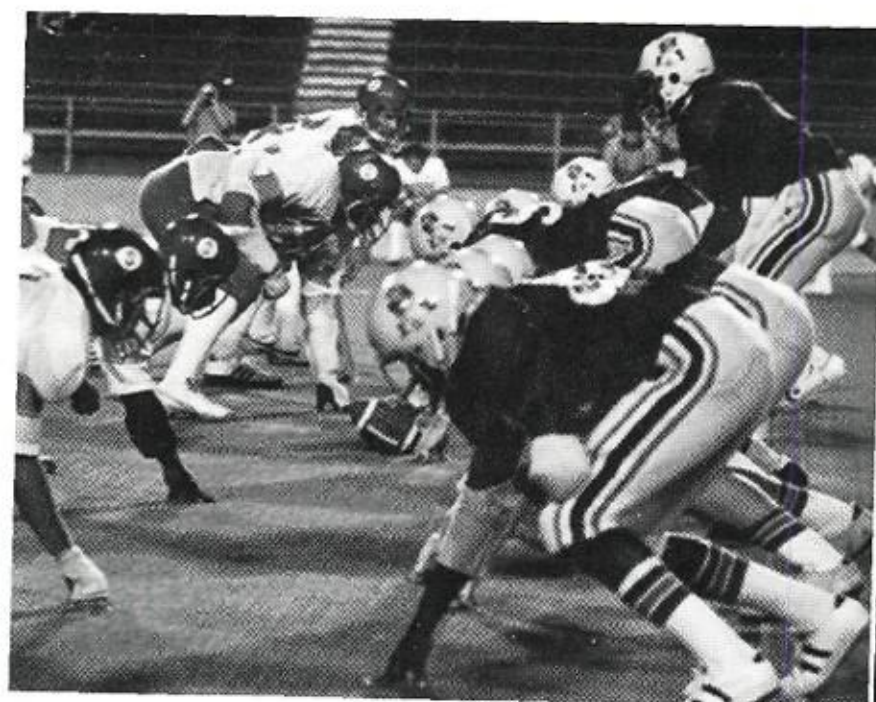

Defense was the story as the B.A. Cougars squeezed by TJ, 6-0 at Loos Field.

The only score came when TJ fumbled a punt on their own 42 yard line with 1:13 left in the half, and B.A. threw a 42 yard pass to make the score 6-0.

The second half was a defensive battle and the game ended with the Cougars on top 6-0.

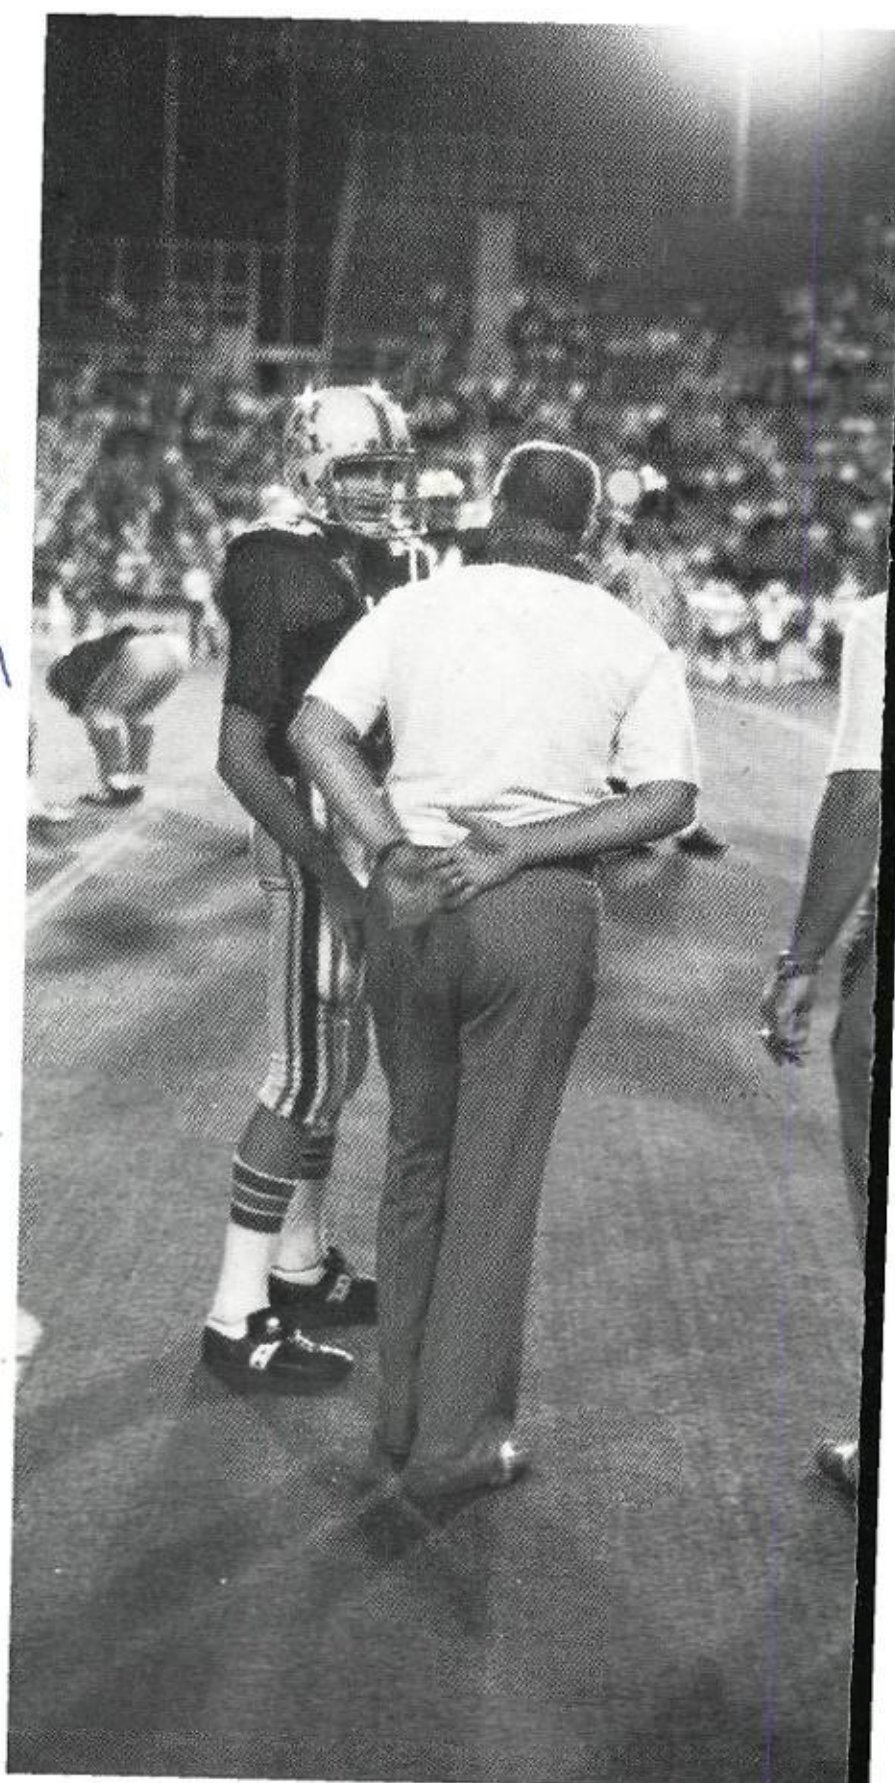

Pats Tackle Tigers

In their game against Lincoln the Pats scored first on a 1 yard run by Duncan Thompson after which the 2 point conversion attempt failed. Lincoln scored on a 21 yard pass in the 2nd quarter to make it 7-6 at the half. During the 4th quarter TJ scored on a 36 yard pass from Dwain Banks to M. J. Marable. The 2 point P.A.T. attempt was good, raising the Pats to a 14-7 lead. A TJ fumble on TJ's 19 yard line set up the final Tiger score but the P.A.T. failed, giving the game to TJ 14-13.

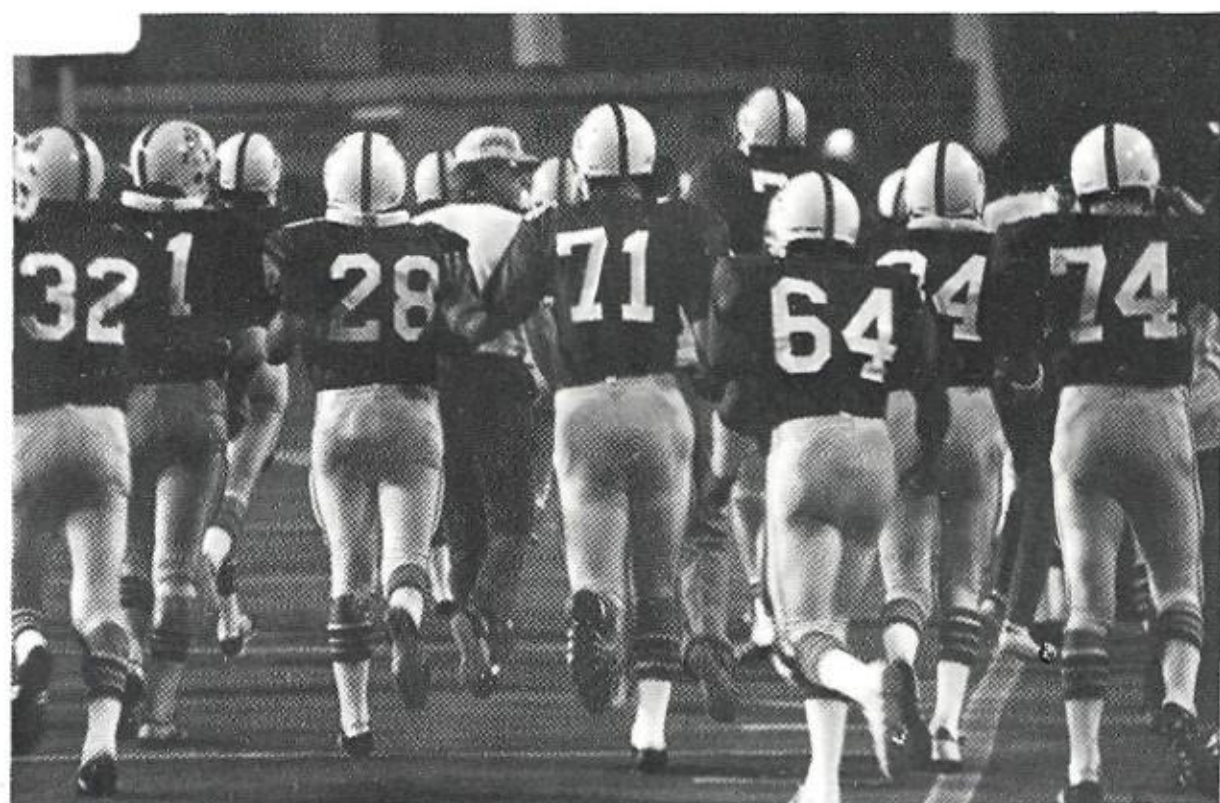

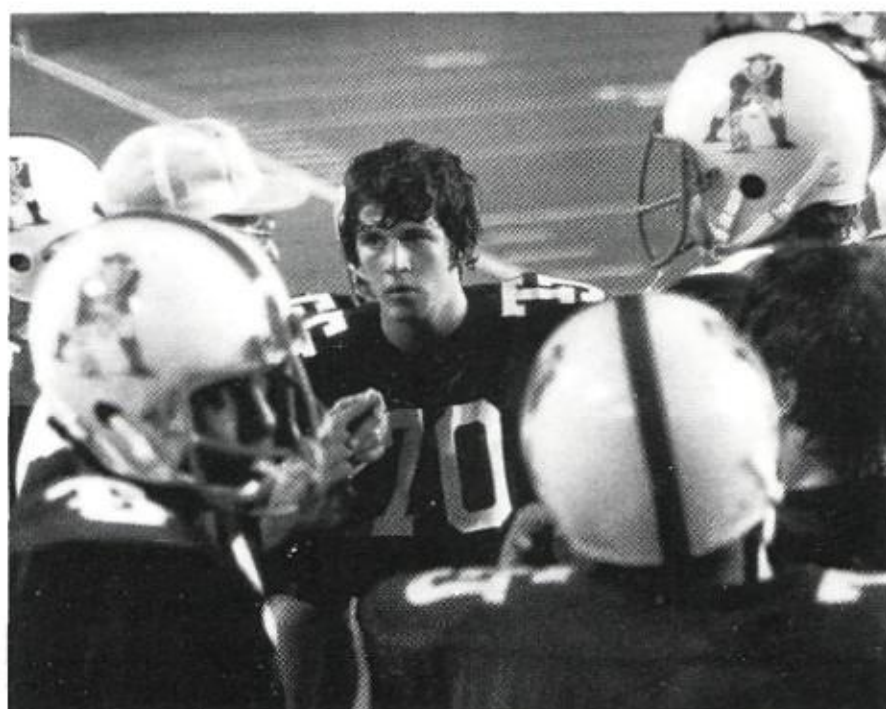

TJ Handles Hillcrest

The first half of the game was a defensive battle. Though the ball moved up and down the field, neither team scored until the 3rd quarter. The game's 1st score came on a 3 yard run by the Panthers. A 7 yard run by Dwain Banks tied the game. The kickoff was returned 75 yards by the Panthers to recover the lead 13-7. In the 4th quarter Carlos DeLaGarza recovered a fumbled punt and Larry Banner put the Pats over with a six-yard run to lead 14 to 13. A pass interception by M. J. Marable led to the Pats' final score on an 11 yard run by Darren Staton. The game ended with the Pats winning 21-13.

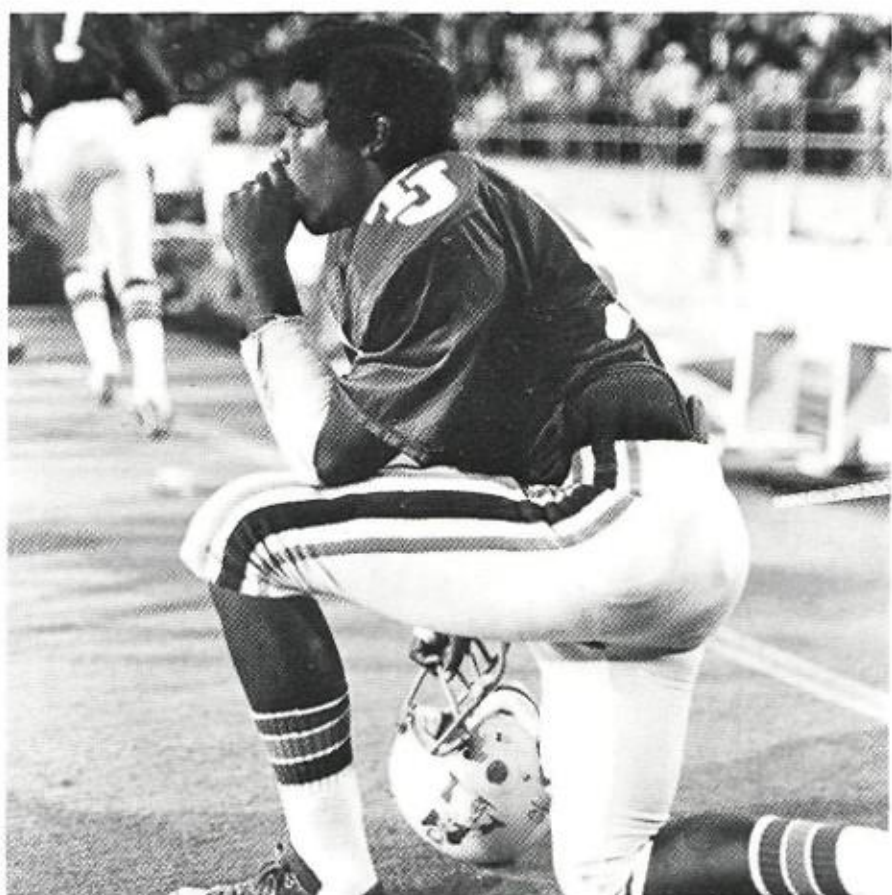

Pats Scalp Apaches

TJ gained their 3rd straight victory by edging out the Spruce Apaches 10-7. The Patriots' 1st offensive action was on a 1st quarter punt which Don Jefferson returned 91 yards for the Pats' only TD. With the Patriots' second possession in the 1st quarter, they scored on a 42 yard field goal by David Meyer. In the second half the Patriots put on a fine defensive show, allowing no score with 2 interceptions by M. J. Marable and a fumble recovery. The Apaches scored late in the 2nd quarter on a short dive. They were unable to score again in a 10-7 TJ victory.

Horns Snag Patriots

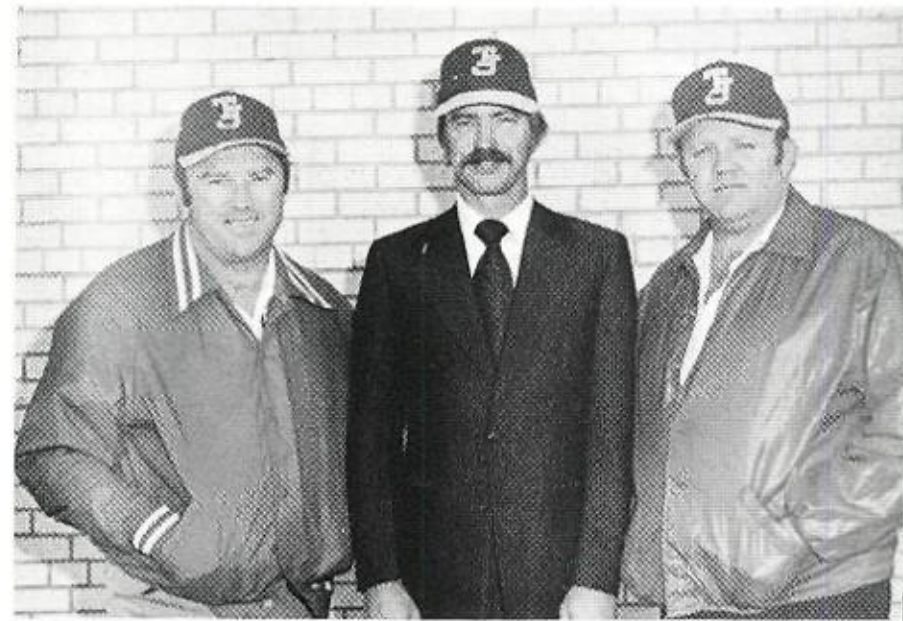

W.T.W.'s defeat of TJ was a great disappointment, breaking a 3 game winning streak for Jefferson. On the opening series of downs, a pass from Meyer to Donald Jefferson resulted in an 80 yard run called back because of a holding penalty. The Longhorns scored twice before the half, missing the first PAT and making a 2 point passing conversion to make the score at the half 14-0. In the 3rd quarter Staton scored for TJ on a 61 yard run with P.A.T. good by Meyer. White scored once more before the end of the game but missed the P.A.T. to make the final score 20-7.

J.V. Tunes Players for Varsity Year

The J.V. football team came through with a 4-5-1 season record this year, which did not really reflect the team's tremendous amount of talent. Once again, Coaches Turner, Neeley, and Daily did a fine job of tuning the J.V. players for next year's varsity team. Returning Varsity and J.V. players should make next year's Patriots stronger and quicker, one of Jefferson's best.

Freshmen Have Tough Season

The freshmen got off to a strong start this year, winning the first two games. The team ran into some problems and finished with a 3-6-0 season. The highlight of the Freshmen's year came when they played W. T. White. The final score of 17 to 10 made up for any disappointment suffered during the season.

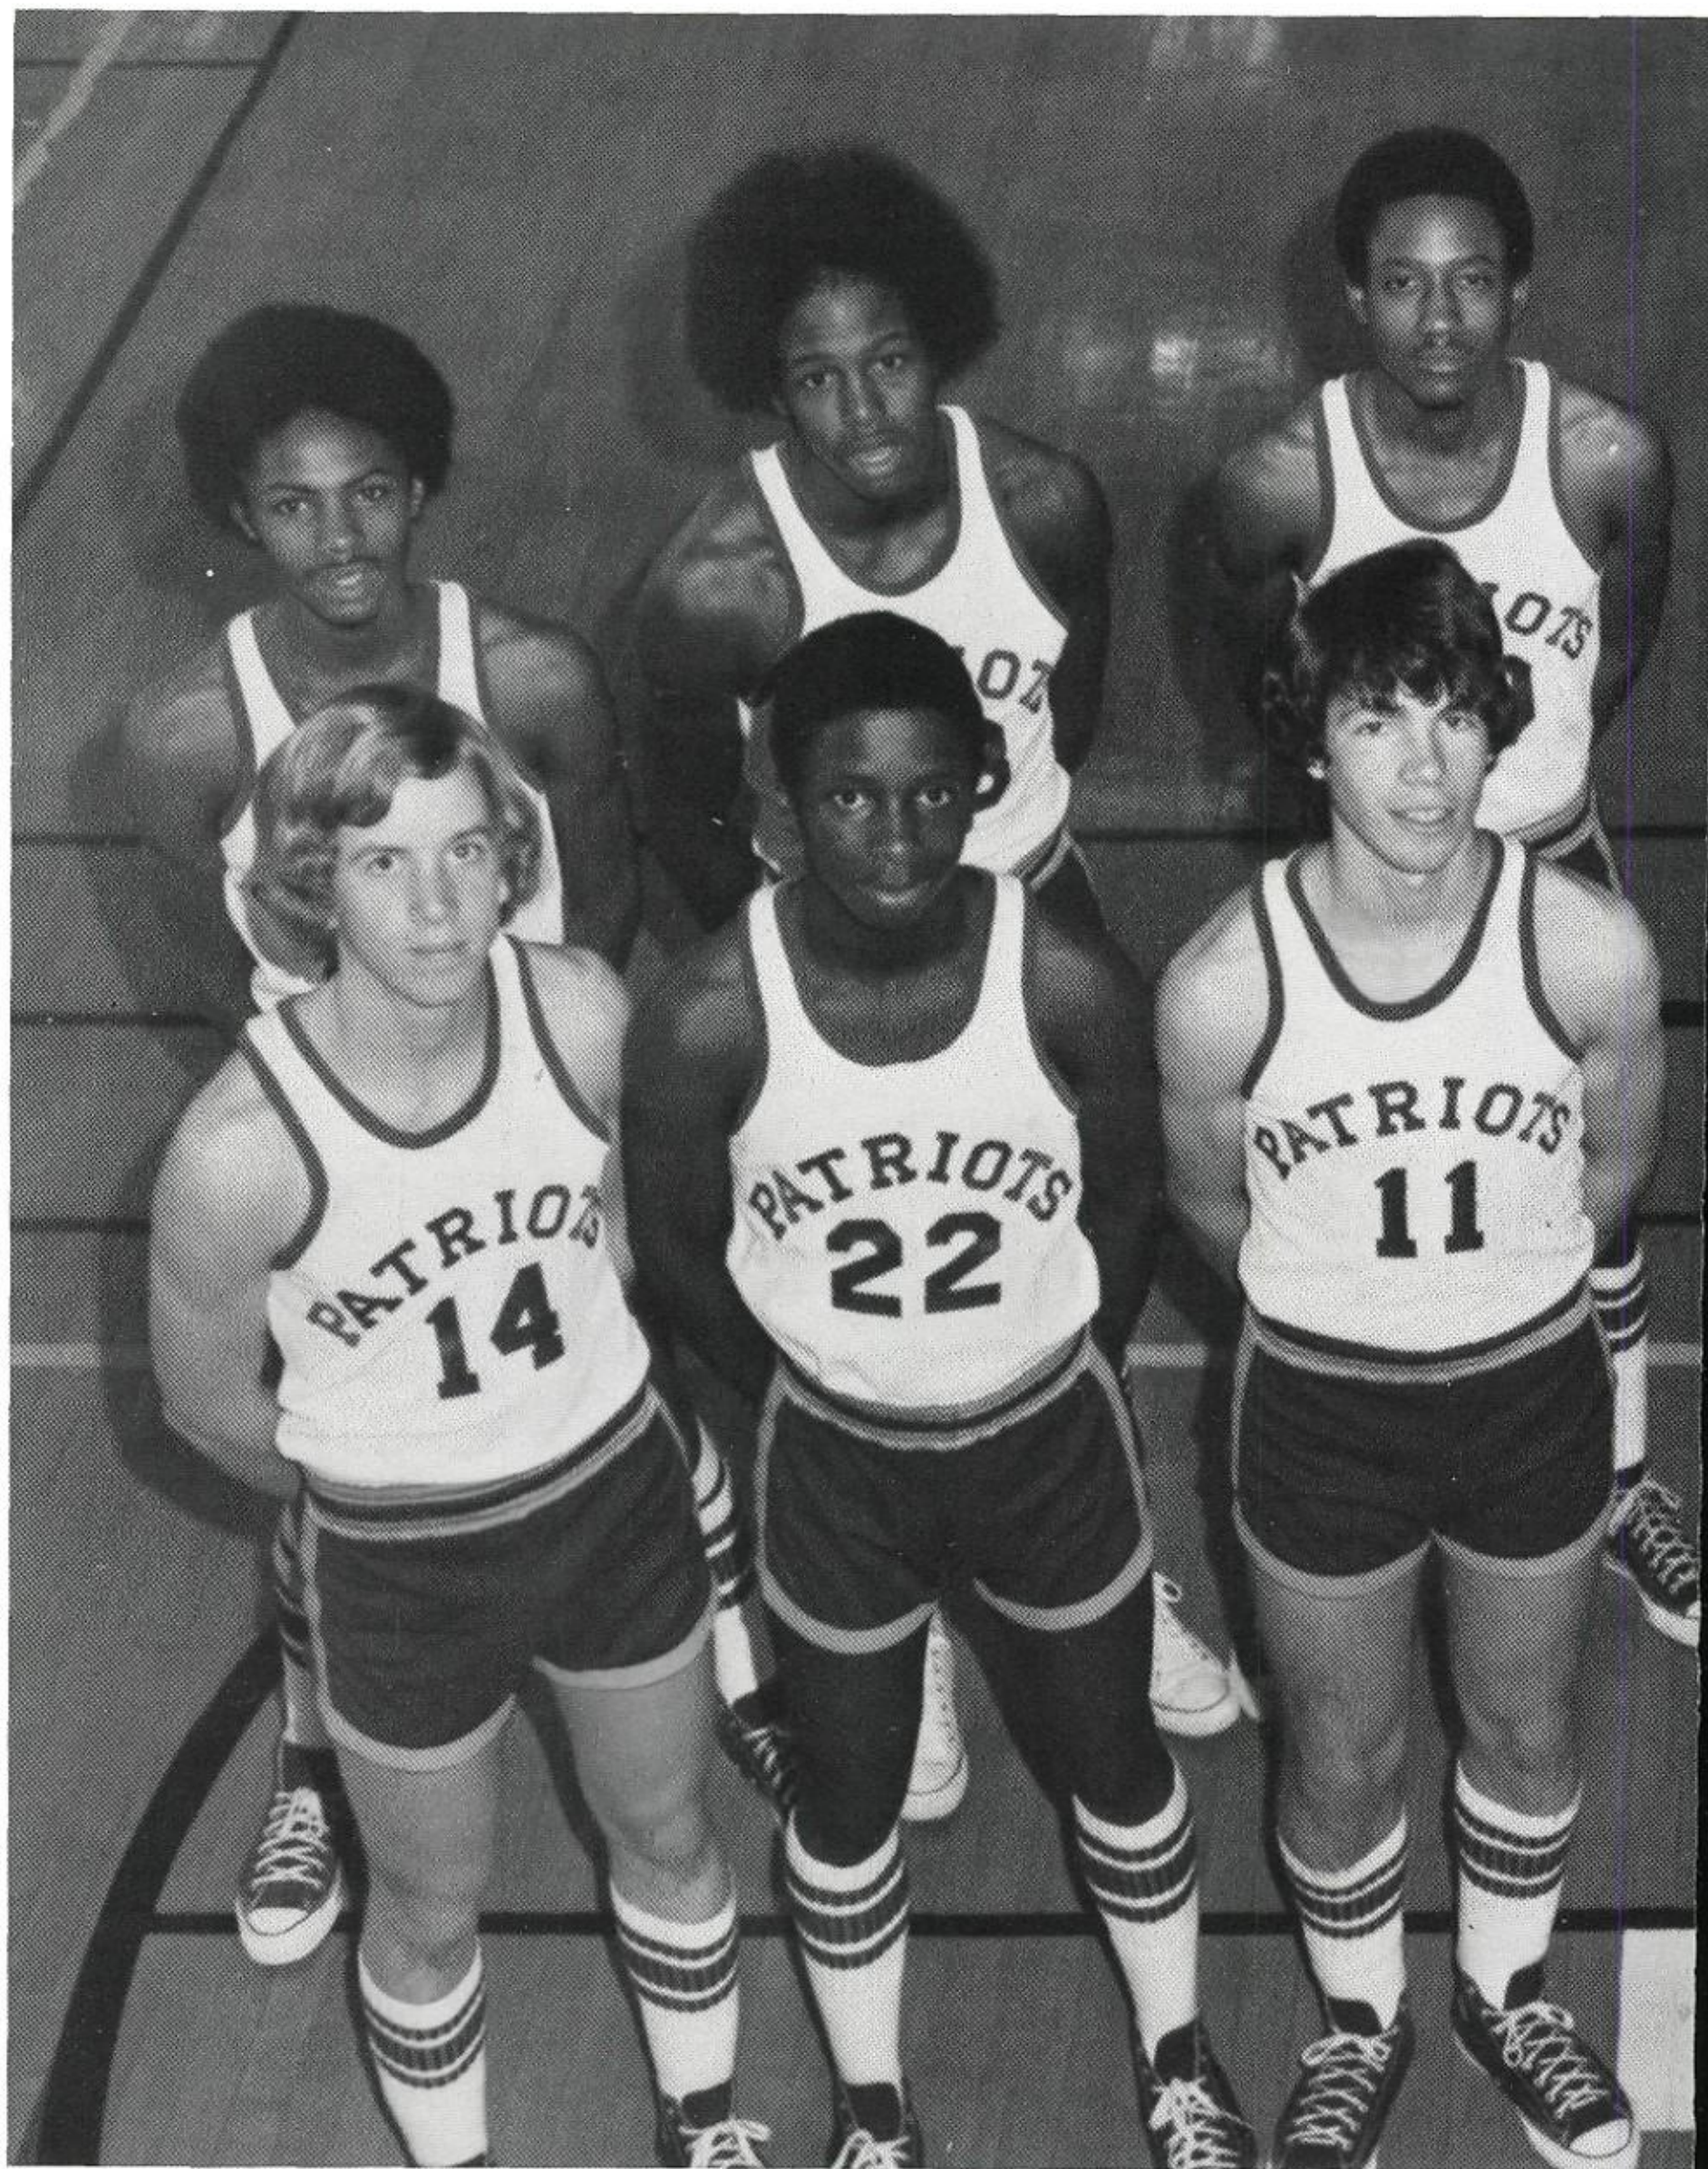

The experience from this year should prove useful when the freshmen return to play on the J.V. and Varsity teams.

VARSITY DISTRICT SCHEDULE

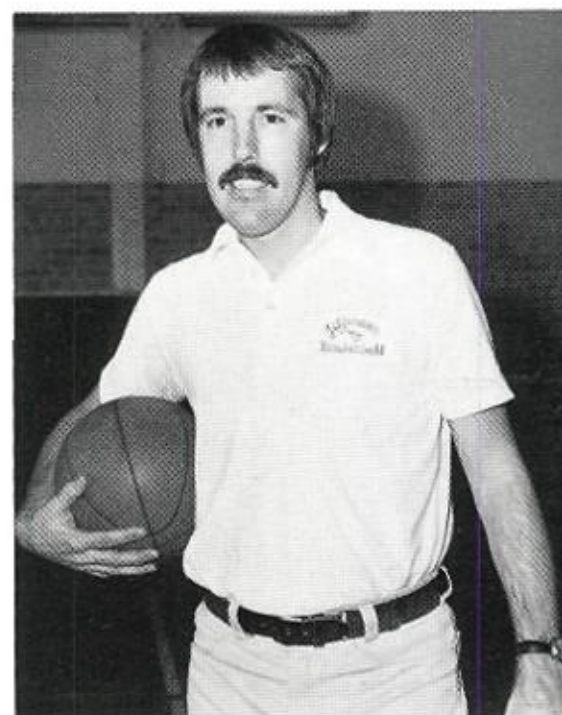

Varsity Basketball Builds

The Thomas Jefferson basketball team was not as strong as it could have been this year, but the many varsity players who will return next year will help round out the team. The Patriots, who won 3 and lost 8 district games, highlighted their season during the two W T White games. The Pats won each handily, the first by a score of 67-57, and the second (the final game of the season) the Patriots won 68-53. David Mitchell was selected the Pats' most valuable player.

TJ Varsity whips White

Lew Kennedy pops for two

Thomas Jefferson's varsity team stomped W. T. White in both of their district meetings this year. The Pats led the Horns through most of each of the games, and beat them by scores of 67 to 57, and 68 to 53. W. T. White wound up winless in district play this year.

Whitfield prepares to rebound.

Hillcrest takes T.J.

Hillcrest disappointed TJ in their district opener this year, defeating the Pats by a score of 64 to 60. The game was close, with a Hillcrest rally in the final two minutes giving them the game. The score of the second district game was 73 to 59, in favor of Hillcrest.

T.J. Loses to Woodrow

Woodrow Wilson defeated the Patriots this year in both district games. The Pats held a lead until midway through the first game, but Woodrow came back in the second half to win, 63-49. The second game was dominated by Woodrow, with a final score of 65-52.

B.A. Over Pats

Thomas Jefferson played the fine Bryan Adams team a good game this season, truly losing only the final quarter. The game was an offensive battle, at which BA proved more adept. The final score of 69 to 63 gave the game to Bryan Adams.

Lincoln Defeats T.J.

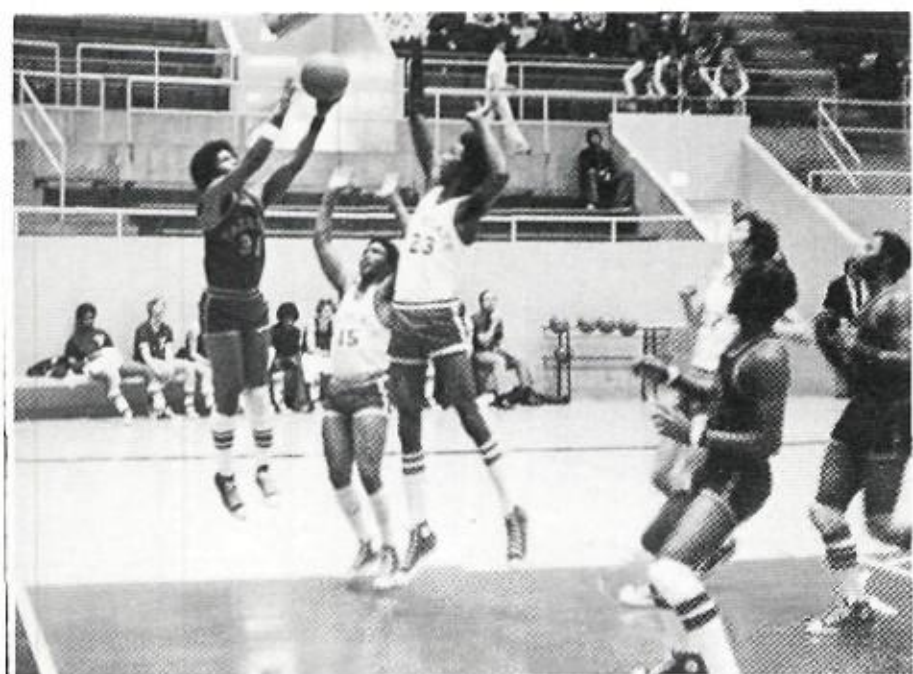

In their fifth district game the Patriots were downed by Lincoln, 62 to 58. Lincoln's fast breaking, as well as TJ's failure to set the ball up, allowed Lincoln to win the game by four, although the lead had varied throughout the game.

Samuell Squeezes Past

TJ lost their district meeting with Samuell by only one basket, in overtime. The two teams seemed evenly matched as the lead went back and forth, and each team seldom had more than a two-point lead. At the end of the exciting fourth period, the score was tied 79 to 79, but Samuell pulled it out by two points in the overtime play.

Pats Subdue Spruce

A last minute turn-around brought the Patriots to victory in the game against Spruce. The Pats had to overcome a ten-point deficit in the fourth quarter to win, and make their district record two wins and six losses. The final score was 61 to 58, TJ's victory.

Skyline Downs TJ

A cold first half and numerous turnovers proved strong handicaps for the Pats' fourth period rally. Missed free-throws in the final minutes also added to the Patriots distress, as Skyline poured it on. TJ ended up on the short end of the final score of the contest, 62 to 56.

J.V. Basketball Team expected to shine

Coach Woodrow's J.V. basketball team had one of their best seasons this year, losing only five of their 26 games all season. They went 9 and 2 in district competition this year, and are expected to be district champs next year. Sophomore Robert Essex was the team high-scorer this year, and 6'5" freshman Craig Robertson contributed heavily. Many J.V. players will return to play on the J.V. or varsity teams next year.

Defending City Soccer champs take district

The Patriot soccer team, which won city last year, was narrowly defeated by W.T. White in its bid for city this year. The undefeated Patriot team clearly lost the first of the 3-game series, but the second game was much closer. After the regulation play was over, neither team had scored. The game went into overtime, double-overtime, and sudden-death overtime and still no one scored. The two and a half hour struggle ended in a contest of goalies, and White proved superior. The final score was 6-5, W.T. White.

Swim Team Makes Big Splash

The 1976 Swim Team was under the new leadership of Coach Sally Lundburg. With the help of seven returning lettermen, the team displayed excellent potential, particularly the boys' medley relay.

The team practiced every morning from 7:00 to 8:30 and every afternoon from 3:30 to 5:30.

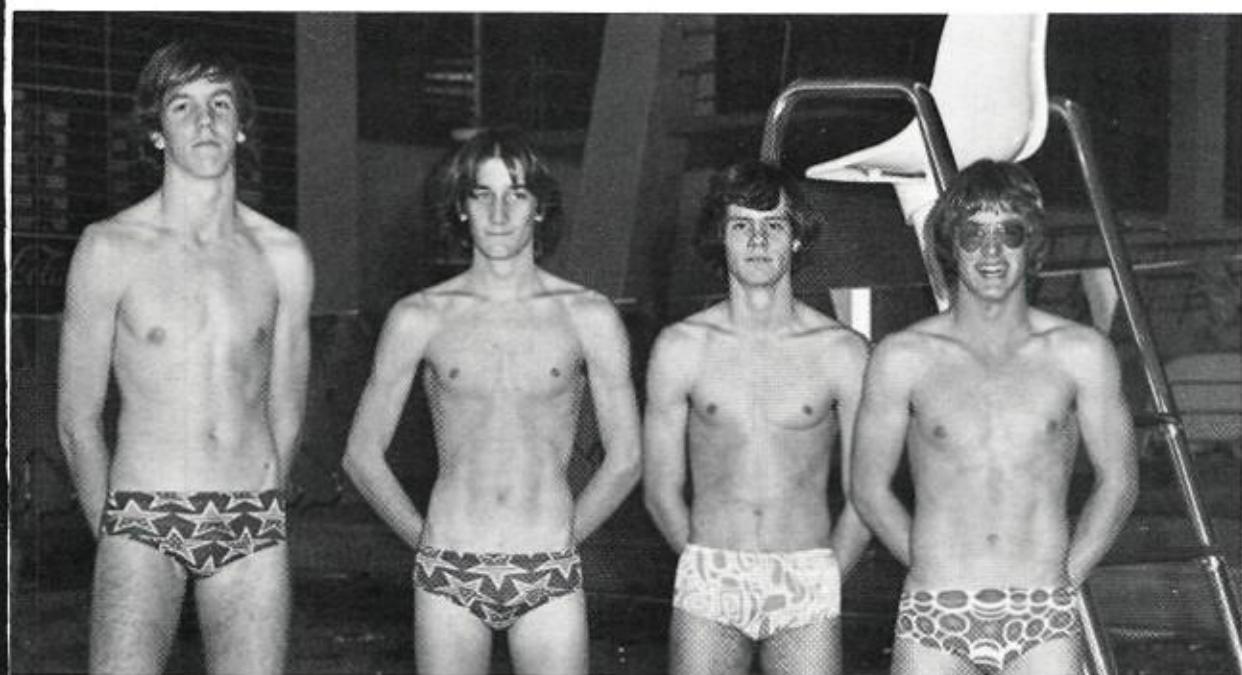

Throughout the year they attended approximately nine meets, some as far away as Wichita Falls and Austin. These included TISCA, Bishop Dunn, and SMU Relays.

TJ's golf team is under the strong leadership of Coach Charles Anderson. The team competed in eight tournaments. The first tournament was held Fair Day and the "low ball" was captured by Gene Rios, who shot an 80.

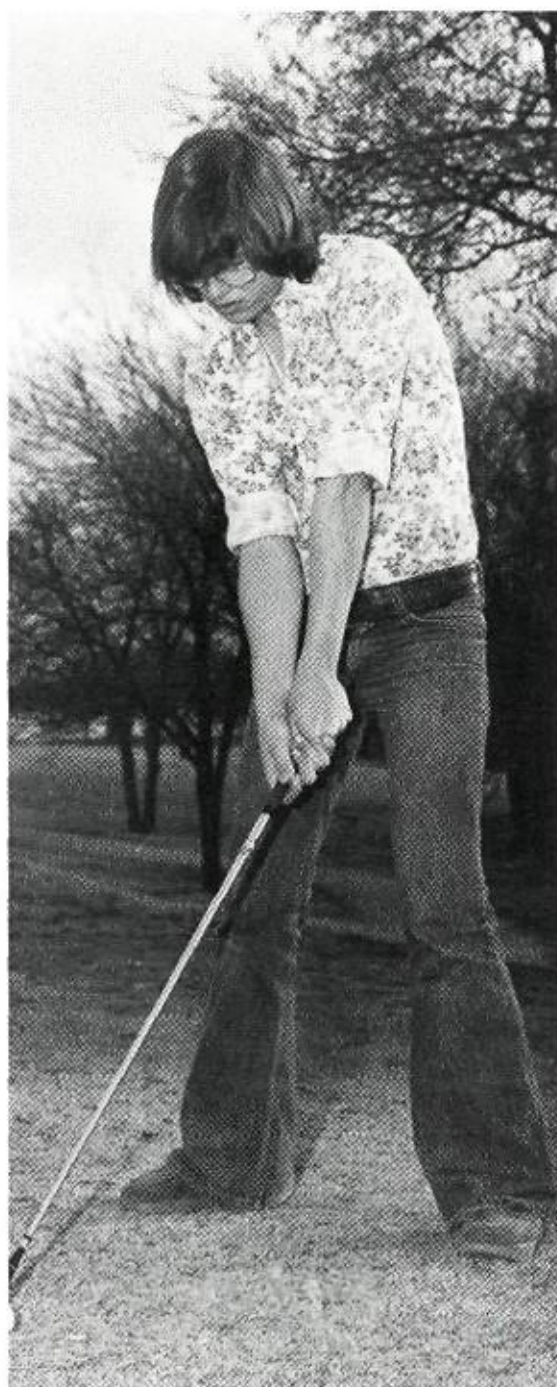

The team had two returning lettermen this year. They were Roger Larson and Jack Weaverling. The only senior on the team was Roger Larson. The experience that the underclassmen gained will make TJ the team to beat in the future.

TJ's baseball team should be everything they are expected to be this year, and they are expected to be winners. With second year lettermen Kevin Altizer - third base, Burk Goldthorn - catcher, and Bobby Newton - pitcher, they have strong leadership for their already strong team. Coach Turner is once more doing a fine job, and should produce a team this year that will win big. Again this year the team travels to Abilene to play Abilene Cooper High, as well as to Waxahachie.

Instructors Optimistic About Cadets

Colonel Frindell, the Senior Army Instructor at TJ feels that the JROTC program is one of the best courses designed to teach leadership. Through the JROTC program, cadets reach goals through their own effort.

"The sophomores and freshmen have shown a great deal of responsibility and willingness to learn in their first year", says Sergeant Cilio. With the admittance of girls in JROTC, he feels that the corps gets larger and better each year.

Mr. G. T. Kelly

Principal

Dear TJ Student Body,

Congratulations! You have handled a year of change in the outstanding TJ way. We have added the ninth grade to our school organization for the first time. This addition caused some major adjustments in the use of space and in the activities of our school. Because of your enthusiasm, cooperation, and efforts, the changes were made with very few problems.

TJ school spirit and tradition were continued in the excellent performance of our students in each activity of the 1976-77 school year. This level of performance is especially important because it was done at a time of some confusion and uncertainty. This achievement will provide the foundation for building a stronger and better school.

Thank you for your efforts and for caring for T.J.

Sincerely,

G. Tom Kelly

Friendly's Glossary of Football Terminology for Ladies.

To promote football family togetherness, Friendly Chevrolet presents a few handy definitions for ladies who confuse a play action pass with indiscreet advances of the masculine gender. Next time your husband puts you down, stand up and astound him with your new knowledge. He will love you for it!

OFFENSIVE TEAM

SPLIT END AND FLANKER: Players who station themselves as far as possible away from the center of violence. Characterized by swiftness afoot, glue-like hands and a strong aversion to physical contact. Unique, in that they can wear clothes off the rack.

TIGHT END: Usually sober. Less fortunate than split ends and flankers in that he must line-up in perilous proximity to ill-tempered opponents. Off the field, they are most often seen alone, in heated conversation with themselves.

INTERIOR LINEMEN: Four huge, stoic gentlemen with sadomasochistic tendencies. High pain thresholds. Not permitted to play with ball. Success of team hinges on their quickness, strength, stamina and general disposition toward teammates who can play with ball.

CENTER: Play begins when he hands ball to player cowering behind him—an act of supreme courage. Otherwise seldom noticed except by parents and close friends. Tells jokes in huddle to keep team loose. Always last in team popularity polls.

FULLBACK: A stunted lineman who is frequently given the ball and instructed to hurl himself into the middle of the melee. Fullbacks bleed a lot; they are further characterized by ringing in ear (inaudible to others) and expressive grunts (audible to others).

RUNNING BACK: When given ball, running backs wisely choose to elude opponents by deft footwork, feints and other devices prompted by stark terror. Mortality rate is depressingly high. Sell insurance in off season.

QUARTERBACK: A center of controversy (see Meredith, Don; Confessions of, 1960-68). Tries to throw ball to players wearing

same color uniform he wears. Nonchalant: talks on phone when not playing. Full time entrepreneur. Excels at humility in public. Inordinate love of material things.

DEFENSIVE TEAM

FRONT FOUR: Typical set averages 1000 pounds on the hoof. Have King Kong strength and killer instincts; foam at mouth at sight of quarterback; abates somewhat when said quarterback is removed from field in mangled pieces. Under leash in street clothes.

LINEBACKERS: Three cunning savages with psychotic desire to inflict pain and discomfort. America's most misunderstood footballers because they leave their teeth in the locker room. Ring bells on field; hear bells off field.

CORNER BACKS: Must be fast runners, high jumpers and able to accept blame when other team scores. Sits alone on bench. Excel at games other than football. Spend off season under assumed name.

SAFETY MEN: Aptly named because they are safest distance away from gore. Have additional responsibility of counting house when ball not in play. Charter members of "Hate Sonny Jurgensen" club. Usually first ones to shower.

Friendly's Glossary of Football Terminology for Ladies was brought to you as a public service by Friendly Chevrolet, where you always get a smile, a choice, your money's worth.

We Need A Hand From You!

MUSCULAR DYSTROPHY ASSOCIATION

12011 COIT RD., SUITE 105, DALLAS, TEXAS 75251, (214) 661-3077

Yes, without the support of young people like you, the patient services and research programs of the Muscular Dystrophy Association could not be as effective. Youth across America have rallied to help support the fight against neuromuscular diseases—terrible diseases that force bright, beautiful children into braces, wheelchairs and short lives. You can help. Dance to a tune that spells hope for hundreds of thousands—by holding a Dance Marathon on your campus. The money you raise will add up to patient care at 154 clinics, and 69 camps as well as over 300 individual research projects and 9 major research centers. So please, give MDA a hand. Call your local MDA office today for details—

Mother Miller -

Well, I guess I'll start writing here considering
 you didn't save me any room! I really can't
 express all that I want to say 'cuz I ain't so
 good in writing in words! If it weren't for Lynn,
 we wouldn't be as good of friends as we are now
 and I'm really thankful to her. We've had a
 blast this year bummin' around and stuff. There
 are tons of things I can't ever (I'm sure you can't!)
 forget! Such as doing the 30,000,000 yard dash
 around NORTH PARK!! and then me breaking
 my shoe purposely so mom could buy me a new

pair! Oh, and also ~~the~~ ^{our} twin shoes! my mom
 never did like those..... ~~but~~ how about yours?
 I know I have a lot of
 faults (but then so do you!!)
 (I'm kidding) but if ya just
 put up with me, I can

really be OK. If
 I'm not telling you
 to hurry, I'm telling
 you to slow down - but believe me, there's always
 a good reason behind it! (mainly guys! - I'm kidding!
 Are freshman year of high school has come to and
 and now, and it is ~~a~~ a year we will all
 remember. It is the beginning of a completely
 new life for all of us with much more!

happiness, sadness and work/ all I can say is that you've put a lot into my freshman year that I can never forget because you were and always will be such a sweet and dear friend of mine. all I can say is thank you for being "my mother" and good luck always in the future and may you accomplish all your goals.

Love Always,
Jamie

May the road rise to meet you,
 May the wind be always at your back,
 May the sun shine warm upon your face,
 and the rain fall always on your fields.

And until we meet again, my friend,
 May the Lord hold you

Thanks especially to Miss Ginny Cole, who showed much more patience and faith than was deserved. Without her tremendous shadow beside us, none of this would have been possible. Thanks also to Charles Ballard, who surrendered her to us many a-deadline.
